**AGREEMENT FOR PAYMENTS IN LIEU  
OF AD VALOREM TAXES**

**THIS AGREEMENT FOR PAYMENTS IN LIEU OF AD VALOREM TAXES** (this "Agreement") is made and entered into as of this \_\_\_ day of \_\_\_\_\_, 2008, by and among **THE INDUSTRIAL DEVELOPMENT BOARD OF THE CITY OF CHATTANOOGA** (the "Board"); **CHATTEM, INC.**, a Tennessee corporation (the "Company"); the **CITY OF CHATTANOOGA, TENNESSEE** (the "City"); and **HAMILTON COUNTY, TENNESSEE** (the "County") and is joined in, for purposes of evidencing their acceptance of the agency relationship established herein, by **CARL E. LEVI** and his successors, acting in the capacity of **HAMILTON COUNTY TRUSTEE** ("Trustee"), and by **WILLIAM C. BENNETT** and his successors, acting in the capacity of **HAMILTON COUNTY ASSESSOR OF PROPERTY** ("Assessor").

**WITNESSETH:**

**WHEREAS**, the Company is contemplating the acquisition and installation of machinery, equipment and other personal property more particularly described on Exhibit A attached hereto and incorporated herein (collectively, the "Property"), in connection with expansions to the Company's pharmaceutical and medicinal manufacturing facilities located at 3708 St. Elmo Avenue and 1715 W. 38<sup>th</sup> Street, respectively, in Chattanooga, Hamilton County, Tennessee (collectively, the "Project"), resulting in (a) an investment of approximately \$7,000,000 in personal property and (b) the creation over a three-year period ending on December 31, 2011 of approximately 33 full-time positions with an average annual wage (excluding benefits) of approximately \$23,000 (collectively, the "PILOT Projections"), and the Company has requested the Board's assistance with the financing of the Project; and

**WHEREAS**, substantial economic benefits to the City and County economies will be derived from the Project; and

**WHEREAS**, the Board has agreed to take title to the Property, together with all additions thereto, replacements thereof, and substitutions therefor and to lease the Property to the Company; and

**WHEREAS**, because the Property is to be owned by the Board, which is a public corporation organized under the provisions of Tennessee Code Annotated, §7-53-101, et seq., the Property will be exempt from all ad valorem property taxes ("property taxes") normally paid to the City and to the County, so long as the Property is owned by the Board, pursuant to the provisions of Tennessee Code Annotated, §7-53-305; and

**WHEREAS**, for the public benefit of the citizens of the City and the County, the Board has requested that the Company make certain payments to the Board in lieu of the payment of all property taxes that would otherwise be payable on the Property; and

**WHEREAS**, the Company has agreed to make such payments to the Board in lieu of all property taxes otherwise payable on the Property (the "In Lieu Payments"), as more particularly set forth hereinafter; and

**WHEREAS**, the Board has been authorized to receive the In Lieu Payments in lieu of property taxes by resolutions adopted by the City and the County, acting through their duly elected Council and Commission, respectively, which resolutions delegate to the Board the authority to accept the In Lieu Payments upon compliance with certain terms and conditions, including, without limitation, the requirement that the Board collect and expend such payments in furtherance of the public purposes for which the Board was created; and

**WHEREAS**, the Company and the Board have agreed that all In Lieu Payments made to the Board by the Company shall be paid to the Trustee, who shall disburse such amounts to the general funds of the City and the County in accordance with the requirements specified herein; and

**WHEREAS**, the Board wishes to designate the Assessor as its agent to appraise the Property and to assess a percentage of its value in the manner specified herein; and

**WHEREAS**, the Board wishes to designate the Trustee as its agent to receive the In Lieu Payments in accordance with the terms of this Agreement;

**NOW, THEREFORE, IN CONSIDERATION OF** the mutual covenants and agreements set forth herein, the parties hereto agree as follows:

1. Designation of Assessor; Appraisal and Assessment of Property. The Board hereby designates the Assessor as its agent to appraise and assess the Property. The Assessor shall appraise and assess the Property in accordance with the Constitution and laws of the State of Tennessee as though the Project were subject to property taxes. The Assessor shall give the Trustee, the City Treasurer, the Board, and the Company notice of any changes in appraisals of the Property in the same manner that notices are given to owners of taxable property. The Assessor shall make available to the Board all records relating to the appraisal and assessment of the Property.

2. Designation of Trustee; Computation and Billing of Payments In Lieu of Taxes. The Board hereby designates the Trustee as its agent to compute the amounts of the In Lieu Payments, to receive such payments from the Company and to disburse such payments to the City and the County. On or about October 1 of each year during the term of this Agreement, the Trustee shall compute the taxes which would be payable on the Property as if the Property were

subject to property taxes, in accordance with the Constitution and laws of the State of Tennessee and in accordance with the appraisal and assessment of the Assessor. Each year hereunder, the Trustee shall send the Board and the Company bills for appropriate respective amounts of In Lieu Payments (the "Tax Bills").

3. Payments in Lieu of Taxes. After receipt of the Tax Bills, the Company shall pay to the Trustee the respective amounts indicated on the Tax Bills in accordance with the amounts set forth below in Paragraph 4. The In Lieu Payments shall be made by the Company in lieu of the property taxes which would otherwise be payable on the Property if it were subject to property taxes.

4. Amount of Payments. For any period hereunder occurring before January 1, 2009 or after December 31, 2011, and during which the Property is owned by the Board, the Company shall make In Lieu Payments in an amount, as determined by the Assessor and the Trustee, equal to one hundred percent (100%) of the amount of taxes that would have been payable on the Property as if it were subject to property taxes. For each of the years 2009 through 2011, the Company shall make In Lieu Payments in an amount determined by the Assessor and the Trustee equal to the following percentages of the taxes that would have been payable on the Property as if it were subject to property taxes for the respective years shown:

<u>Year</u>	<u>Percentage</u>
2009	29.2%
2010	29.2%
2011	29.2%

The parties acknowledge that the amount of personal property taxes to support County schools currently represents twenty-nine and two-tenths percent (29.2%) of the total amount of the

personal property taxes that would have been payable on the Property if the Property were subject to personal property taxes and further acknowledge that one hundred percent (100%) of such In Lieu Payments for years 2009 through 2011 shall be directed by the Trustee to support the County school system.

5. Penalties and Late Charges. The Company shall make the In Lieu Payments for each year before March 1 of the following year. All In Lieu Payments shall be subject to penalties, late charges, fees and interest charges as follows:

(a) If the Company fails to make any In Lieu Payment when due, and such failure to pay shall continue and not be fully paid within thirty (30) days after written notice of such nonpayment has been provided, then a late charge shall be charged and shall also be immediately due and payable. The late charge shall be in the amount of one and one-half percent (1.5%) of the owed amount, for each month that each payment has been unpaid. Such one and one-half percent (1.5%) per month late charge amount shall accumulate each month and be payable so long as there remains any outstanding unpaid amount.

(b) If the Company should fail to pay all amounts and late charges due as provided hereinabove, then the Board, the City or the County may bring suit in the Chancery Court of Hamilton County to recover the In Lieu Payments due, late charges, expenses and costs of collection in addition to reasonable attorneys' fees.

6. PILOT Projections Reporting.

(a) In order to determine the extent to which the Company achieves the PILOT Projections upon which the In Lieu Payments have been calculated, the Company shall complete and deliver for each calendar year during the term of this Agreement an Annual Report

in the form attached hereto as Exhibit B commencing after completion of the first full calendar year during which In Lieu Payments were paid by the Company.

(b) If the Company fails to achieve the PILOT Projections, then the City and the County reserve the right to terminate the benefits of this Agreement for any years remaining hereunder.

(c) If the Company closes the Project or moves the Project from the County during the term hereof, the City and/or the County reserve the right to require the partial repayment of amounts that would have been payable on the Property if it were subject to property taxes.

7. Disbursements by Trustee. All sums received by the Trustee pursuant to Paragraph 3 hereof shall be disbursed to the general funds of the City and the County in accordance with this paragraph and in accordance with the normal requirements of law governing the settlement and paying over of taxes to counties and municipalities. All sums received shall be divided into two (2) accounts, one for the use and benefit of the City and the other for the use and benefit of the County. The account for the use and benefit of the City shall be funded with the proportionate amount to which the In Lieu Payments are attributable to property taxes which would otherwise be owed to the City, and the account for the use and benefit of the County shall be funded with the proportionate amount to which the In Lieu Payments are attributable to property taxes which would otherwise be owed to the County. All disbursements to the general funds of the City and County shall be made by the Trustee subject to the requirement that all funds disbursed may be used by the City and the County only in furtherance of the public purposes of the Board, as described in Tennessee Code Annotated, § 7-53-102.

8. Contest by the Company. The Company shall have the right to contest the appraisal or assessment of the Property by the Assessor and the computation by the Trustee of the amount of the In Lieu Payment. If the Company contests any such appraisal or assessment, then it shall present evidence to the Assessor in favor of its position. Likewise, if the Company contests any such payment computation, it shall present evidence to the Trustee in favor of its position. If the In Lieu Payments being contested shall be or become due and payable, the Company shall make such payments under protest. The Company and the Assessor or the Trustee, as the case may be, shall negotiate in good faith to resolve any disputes as to appraisal, assessment or computation. If the Company and the Assessor or the Trustee are unable to resolve a dispute, then the Company may file suit in the Chancery Court of Hamilton County to ask that the provisions of this Agreement, including those covering appraisal, assessment and computation, be construed or applied to the relevant facts by the Chancery Court in order to resolve such dispute.

9. Lien on Property. Any amounts which remain payable under this Agreement shall become a lien on the Property, and such lien shall be enforceable against the Property in the event that any payment owing hereunder is not timely made in accordance with this Agreement.

10. Term. This Agreement shall become effective on the date that the Board attains title to the Property and shall continue for so long as the Board holds title to any of the Property or until the Company has made all payments required hereunder, whichever shall later occur.

11. Leasehold Taxation. If the leasehold interest of the Company should be subject to ad valorem taxation, then any amounts assessed as taxes thereon shall be credited against any In Lieu Payments due hereunder.

(a) The Board is a public corporation of the State of Tennessee, duly organized and existing under the provisions of the Act. The Act authorizes the Board to acquire land, buildings, machinery and equipment and related facilities and to own, lease and dispose of the same for the purpose of maintaining and increasing employment opportunities by promoting industry, trade and commerce and by inducing manufacturing, industrial and commercial enterprises to locate in or remain in the State of Tennessee. The Board is authorized to act in furtherance of such purposes in the County.

The Company releases the Board from, agrees that the Board shall not be liable for, and agrees to hold the Board and its officers, directors, agents, servants and employees harmless against, any loss or damage to property or any injury to or death of any person that may be occasioned by any cause whatsoever pertaining to the Property or the use thereof. The members of the Board of Directors of the Board shall incur no liability either individually or collectively by reason of the obligations undertaken by the Board hereunder.

Section 8.02 Identification of Machinery and Equipment Included in Project. The Company will at all times maintain in its permanent records a complete list of the machinery and equipment constituting a part of the Project, which will specifically identify each item of such machinery and equipment as being property of the Board.

ARTICLE IX  
ASSIGNMENT, SUBLEASING, PLEDGING AND SELLING

Section 9.01 Assignment or Subleasing. This Agreement may be assigned and the Property be subleased, as a whole or in part, by the Company without the prior written consent of the Board provided that:

(a) unless authorized in writing by the Board, no assignment shall relieve the Company from primary liability for any of its obligations hereunder, and, in the event of any such assignment, the Company shall continue to remain primarily liable for performance and observance of the agreements on its part herein provided to be performed and observed by it to the same extent as though no assignment had been made;

(b) the assignee or sublessee shall assume the obligations of the Company hereunder to the extent of the interest assigned or subleased; and

(c) the Company shall, within thirty (30) days after the execution and delivery thereof, furnish or cause to be furnished to the Board a true and complete copy of each such assignment, sublease and assumption of obligation, as the case may be.

Section 9.02 Restrictions on Sale of Property by Board. The Board agrees that, except for transactions effected in accordance with Section 11.03 hereof, it will not sell, assign, encumber, transfer or convey the Property during the Lease Term or create or suffer to be created any debt, lien or charge on the rents, revenues or receipts arising out of or in connection with its ownership of the Property, and the Board will not take any other action which may reasonably be construed as tending to cause or induce the levy or assessment of ad valorem taxes; provided, that if the laws of the State of Tennessee at the time shall permit, nothing contained in this Section shall prevent the consolidation of the Board with, or merger into, or transfer of the Project as an entirety to, any public corporation whose property and income are not subject to taxation and which has corporate authority to carry on the business of owning, leasing and

selling of the Property; provided that such consolidation, merger or transfer shall be authorized by the governing body of the County.

ARTICLE X  
EVENTS OF DEFAULT AND REMEDIES

Section 10.01 Events of Default Defined. The following shall be "events of default" under this Agreement, and the terms "event of default" or "default" shall mean, whenever they are used in this Agreement, any one or more of the following events:

(a) Failure by the Board or the Company to observe and perform any covenant, condition or agreement on its part to be observed or performed, for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied is given to one party by the other, unless the one giving notice shall agree in writing to an extension of such time prior to its expiration. If a failure under this Section 10.01(a) is such that it can be corrected but not within the applicable period, it shall not constitute an event of default if appropriate corrective action is instituted within the applicable period and diligently pursued until the default is corrected.

(b) A voluntary Act of Bankruptcy or an Act of Bankruptcy which, if resulting from the filing or commencement of involuntary proceedings against the Company or the Board, is not dismissed or discharged within sixty (60) days of the filing or commencement thereof.

The foregoing provisions of subsection (a) of this Section are subject to the following limitations: if by reasons of force majeure, the Board or the Company is unable in whole or in part to carry out the respective agreements on its part herein referred to, the failure to perform such agreements due to such inability shall not constitute an event of default nor shall it become an event of default upon appropriate notification or the passage of this stated period of time. The term "force majeure" as used herein shall mean, without limitation, the following: acts of God; strikes, lockouts or other industrial disturbances; act of public enemies; orders of any kind of the government of the United States of America or of the State of Tennessee or any of their respective departments, agencies, political subdivisions or officials, or any civil or military authority; insurrections; riots; epidemics; landslides; lightning; earthquakes; fires, hurricanes, tornadoes; storms; floods; washouts; droughts; arrests; restraint of government and people; civil disturbances; explosions; breakage or accident to machinery, transmission pipes or canals; partial or entire failure of utilities; or any other cause or event not reasonably within the control of the Board or the Company. The Board and the Company agree, however, to remedy with all reasonable dispatch the cause or causes preventing it from carrying out its agreements; provided, that the settlement of strikes, lockouts and other industrial disturbances shall be entirely within the discretion of the Board or the Company, as the case may be, and the Board and the Company shall not be required to make settlement of strikes, lockouts and other industrial disturbances by acceding to the demands of the opposing party or parties when such course is, in the judgment of the Board or the Company, unfavorable thereto.

Section 10.02 Remedies on Default. Whenever any event of default referred to in Section 10.01 hereof shall have occurred and be subsisting, the Board or the Company, as the

case may be, may take whatever action at law or in equity may appear necessary or desirable to enforce performance and observance of any obligation, agreement, or covenant under this Agreement.
